## **WP6: Lowering the barriers for newcomers and participants from Widening countries in Cluster 1**

**WP6 partners: AICIB (PT), EKT (EL), ETAG (EE), NCBR (PL), LMT (LT), TC CAS (CZ), RIF (CY) and LZP (LV)**

Task 1: Identify gaps and needs of potential new participants from under-represented sectors in Widening Countries

Task 2: Increase visibility and highlight expertise of health sector stakeholders from Widening Countries

Task 3: Increase submitted proposals and funded participations in CL1 project consortia for Widening Countries

### Welcome to Health-NCP-Net 3.0 (HNN 3.0)

We are a network of National Contact Points (NCPs) in the area of "Health" enhancing transnational cooperation between NCPs for Cluster 1 Health in Horizon Europe to increase the support for those interested in research funding

You do not know your National Contact Point, but still have many questions?

- International brokerage events, including pitching sessions, are organised backto-back with the EC Open Info Days in Brussels.
- Thematic brokerage events are organized on selected key areas, in close collaboration with other NCP networks or with other support thematic initiatives.

- Pitching sessions and matchmaking events targeted at Widening Countries. This includes assistance, trainings and coaching for applicants as well as NCPs from Widening Countries to improve the efficacy of participants' presentations at matchmaking events & pitching sessions.
- Toolkits are being designed for applicants to improve their understanding of the project proposal and partner search processes.

### InfoDay Cluster 1 "Health" - Q&A on Calls 2024

On June 1st, 2024, a virtual Horizon Europe Info Day was organized for the health cluster by the European Commission to inform applicants about topics included in the Cluster 1 'Health' work programme of 2024. This "Q&A on Calls 2024" document will give you the links to all topic presentations and Q&A sessions including the exact time in the video where the questions are answered.

*Please note that additional Q&A are accessible for Health NCPs only. If you are Health NCP, we invite you to [login or create an account](#) to access Health NCP specific information.*

### Blind Evaluations in Horizon Europe - Q&A

On 28 February 2023, the European Commission held a virtual info session for National Contact Points (NCPs) about “blind evaluations in Horizon Europe”. Although this event was aimed at NCPs, the recording and slides are openly available and are also useful for Horizon Europe applicants.

This document will provide you with background information, links to the European Commission presentation and a list of questions raised during the Q&A session including the exact time in the video where each question is answered.

### Annotated Template - Information on Clinical Studies

The basis for this annotated version of the application template is the document "Information on clinical studies (HE)", published by the European Commission, version 4.2 of April 1st 2023.

The comments of the Health NCPs are just recommendations and suggestions. Please always follow all instructions of the European Commission.
