

NCP – your National Advisor for Horizon 2020 Health related calls

Marta Barrionuevo Hafner, Coordinator

| National Institute of Health Carlos III

12 July 2016

Webinar on
Opportunities under
EURATOM

www.healthncp.net

Health NCP Net 2.0 is funded
by the European Union under
the Horizon 2020 programme

What can your Health NCP do for you?

Help you better understand the EU Research & Innovation Programme “Horizon 2020” and the SC1

Offer guidance in identifying **relevant topics** and in **proposal writing**

Answer your queries regarding EU R&I funding in the health sector

Organise information events on EU Health Programmes & calls in your region or institution

Inform about health specific aspects, e.g., ethics or clinical studies

Assist you in your **search for partners** through the NCP network, partnering events & other available tools

Advise you on **administrative procedures & legal issues**

Support and guide you on the **application process**

Find your Health NCP in your country - Interactive map

Source of any listed contacts is the website of the European Commission.

NCPs are the main structure to provide guidance, practical information and assistance on all aspects of participation in Horizon 2020. NCPs are established in EU- and associated countries, but also in **many non-EU and non-associated countries** ("third countries").

Please use the **interactive map** below to find the Health NCP in your country including detailed contact information.

Use the **Country search** option for a quick and easy location of the Health NCP in a certain country and the **Plus/Minus** keys in the right lower corner of the map to change the zoom level.
