## Training for CL1 NCPs on Valorisation of research results

#healthNCPnet | [www.healthncp.net](http://www.healthncp.net)

HNN3.0 (The Cluster 1 Health consortium of NCPs for Horizon Europe) has received funding from the European Union's Horizon EUROPE research and innovation programme under Grant Agreement number 101057279

*The NCP Training is focused on valorisation of research results. This training provides CL1 NCPs with key insights into the valorisation of research results in Horizon Europe. It covers pathways to societal and economic impact, exploitation strategies, and available EU tools. Participants will explore practical examples and common challenges from health-related projects. Interactive sessions will strengthen NCPs' capacity to guide applicants on impact and valorisation.*
